The Editor said, Dec. 31: "Dr. Hooten's celebration of the cure of Liver Complaint, Jan. 1, 1892, by one of the most popular medicines of the day, is a most interesting and valuable contribution. Dr. Hooten says he has himself received effects from this medicine of Liver Complaint from the use of this remedy, and has cured many others, in the use of these Bitters, the great consideration. from which the above cut was taken. By it we can take the exact shape, and unerringly fit the most irregular heads. Many can testify to the inconvenience, and annoyance, and actual pain they have been subjected to, in breaking in Hats that will not fit them.

Another great advantage is, by keeping a copy of the impression, we can at all times fix our course, from all parts of the country.

We invite all those who desire a perfect fit in a Hat, to call and leave a mark in writing the name and all those who take pleasure in witnessing the intentions of the jagenicos, to call and see the operations of this curious instrument.

Having adopted the CASH SYSTEM (which all readily acknowledge to be the best), we are enabled to sell our best Silk Hat made, at the extraordinary low price of \$5.00, for a passing away \$5 Hat, and still in this city. Our Hats are all made by ourselves, and in offering them to our customers, we do so, with the confident assurance, that we all we recommend them to be. We invite all
